

OFFICES TEMPORARILY CLOSED

Due to the recent direction from the Governor's Office concerning the **State Wide Emergency** concerning the **Covid-19 virus**, certain Government offices, all Michigan School Systems and sporting events have closed.

Mayfield Township has decided to take the precaution to **temporarily close the Township Offices**. We will reevaluate this procedure as needed, monitoring the direction from the Governor's office and the Lapeer County Health Department.

If you need any assistance please leave your request in the Township Drop Box.

TAX INFORMATION IS AVAILABLE AT www.mayfieldtownship.com, after March 2, 2020 any property taxes must be paid at the Lapeer County Treasurers office.

Thank you for your understanding,
