Public Time:

A resident stated that the people who are for the dragstrip are not from the township. The board had no answers for the dragstrip issue and that the residents that have attended the township meeting are voters and should be heard.

Another resident spoke and stated that he too comes to the meeting and does live in the township, he is pro on the subject.

County Commissioner Lenny Schneider gave updates to the board and stated that he is always available by phone.

Old business:

At the previous meeting a property owner asked about a fire run and it was stated that it would be addressed at the April meeting.

It was the consensus of the board that the only option is to stay with the Fire Run fee schedule as we have multiple people making payments. The only other option for the board would be to look into assessments or a department for relief.
